

## *Summer Tutoring Program*

Sessions are held Tuesday through Thursday, hourly beginning at 9:00am and ending at 2:00.

We will review the previous grade requirements, and prepare for the next grade level. We will focus on any areas of difficulty the student had or is having.

Students are given weekly reading goals and a summer reading plan is encouraged.

An overview of the upcoming grade level and an introduction to various subjects and expectations is discussed. Your child will be prepared and feel more confident upon entering the next grade.

## Kreative Knowledge Tutoring

### **MISSION STATEMENT:**

*My purpose in tutoring your child is to strengthen his or her skills and/or help them develop stronger skills in a given subject. Preparing them for the next school grade is available in my summer tutoring program.*

### **WHAT I OFFER:**

*One-on-one instruction in a relaxed home environment. I have a school room consisting of a variety of resource materials such as workbooks, flashcards, computer software, internet learning sites, board games, curriculum and all supplies needed.*

*I record each session's accomplishments and feedback for the parents. After establishing a clear academic goal, your child and I will work on reaching that goal.*

*Occasionally I will ask students to do practice sheets at home. I reward students with stickers, and visits to the treasure box. I offer healthy snacks and a caring, respectful and confidential relationship.*

### **MY BACKGROUND:**

*I have tutored for approx. 10 years, I have homeschooled my kids for 5 years which has included every elementary grade subject. I have two years experience as a paraprofessional working with not only regular ed. kids but also special ed. kids in the Cave Creek Unified School District. I have letters of recommendation and references. I specialize in early reading/ phonics and elementary math.*
